

Steps to be followed for UIA 2014 ***HEALTHCARE OTHERWHERE***
INTERNATIONAL STUDENT COMPETITION to be launched in January 2014

1. Only one student per competition entry (no teams).
2. Contact details with email address must be provided.
3. The name of the architecture (or related profession) school, where the entrant is registered as a student as well as the school's physical address must be provided. Competition is open to students who study architecture (undergraduate and graduate levels), final year students who were registered at an institution at the time of registering for the competition and students from other related fields of study.
4. A copy of a letter, in English, from their academic institution proving that the student is registered at an educational institution at the time of registration.
5. A lecturer may be identified as an advisor – this is optional.
6. Competition fees must be paid. The proof of payment must be uploaded on the website. No additional application fee is required other than the initial registration fee. The registration fee is set at **R 500** (South African Rands) per competition project entry. This is payable via **PayFast** to UIA 2014. Instructions are available on the website:
www.uia2014durban.org
7. Registrations close on 31st March 2014.
8. Entrants may start on the competition at risk once they have submitted their registration forms and paid the competition fee. However entries cannot be submitted before the student has received an email notification from the UIA administration that their registration is complete and has been accepted.
9. Competition entries must be submitted by the deadline of 14th June 2014 (midnight Central African Time). This submission date will be strictly adhered to.
10. The submission procedure is as follows:
 - Submissions will be accepted via the UIA 2014 website.
 - A confirmation email will be sent once the entry is uploaded.
 - Before submitting an entry, the individual must have already registered online and submitted evidence of student status before the announced registration deadline.
 - A screening process will be run to ensure that all the registration requirements are met. All entries will be given a unique number for anonymity, STCOMP#. This STCOMP# should be used as reference at all times, including during project submission.

- Every page of the submission (graphic and written) should be clearly marked “HEALTHCARE OTHERWHERE PROJECT” in the lower right-hand corner in minimum 20pnt font.
- Submitted entries will be saved by the UIA 2014 team and published in documents only after the adjudication process is complete.

11. All entries must be submitted digitally in PDF format at 300dpi. Shortlisted candidates will be notified after the initial selection rounds have been completed. Submission packages are to be submitted in line with the instructions for submission on the UIA 2014 website, with the documents in question to be clearly named by registration number alone and marked “HEALTHCARE OTHERWHERE PROJECT” in the lower right-hand corner in minimum 20pnt font. Submission packages are to include documents in the following order:

Document 1: Completed and signed registration form

NB: All following submissions (i.e. Document 2 and Document 3) must not include name or affiliation of the students. Document 2 and Document 3 must be identified only by the unique registration number (STCOMP#) received after the submission of the registration form and payment of the fees

Document 2: Supporting text document to include

- a project title,
- concept,
- description, and
- a written explanation of the response to the HEALTHCARE OTHERWHERE brief (above) [A4, Max 1000 words]

Document 3: HEALTHCARE OTHERWHERE graphic representation, portrait orientation. [Max 1 x A1]

12. Important dates:

- **February 2014** - competition announced
- **15th February 2014** - registration opens
- **31st March 2014** - registrations close
- **14th June 2014** - projects submitted, competition closes
- **18th June 2014** - adjudication starts
- **July 2014** - winner(s) acknowledged
- **August 2014** - winner(s) acknowledged at UIA 2014 Congress
