

Ammazulu African Palace Tour

Tour Itinerary

13:30 - Depart from ICC

The palace, reflecting on parts of KZN history, is the vision of Durban artist Peter Amm, who has used his entire collection of Zulu art and crafts, incorporated into more than 40 beaded columns of exquisite beauty.

It has been designed principally by Kevin MacGarry of Architects Collaborative, with assistance from the owner, who has been nurturing the site for some four decades.

The visitor to this truly unique destination will be forgiven if he or she felt a distinct sensory overload as there is so much to take in, explore and experience. From the breathtaking view of the gorge to the private Zulu art collection in each of the ten suites Ammazulu Palace is a place that will capture your imagination every time you return.

17:00 - Return to ICC
